“ *Su and Family,*

Su, I know how much you loved your Mother-in-law and how devoted you were to her. I feel as though I know her, because you always mentioned her when we talked. Even though I never met her, it was apparent to me she was a special person, because of your love and affection for her. I know you helped care for her at times and you always spoke of caring for her as an honor and not a burden. I know you will miss her terribly, but what wonderful memories you have. I know there was a glorious reunion when she saw Malik again. Please know my thoughts and prayers are with you and your family at this sad time. You are a valued member of our community and if your neighbors can do anything for you and your family, please tell us and we will be more than willing to help.

Love, Janice Carr

“ *We are very glad to have the opportunity to share in the service for Auntie Anita this morning. It was beautiful and we felt as though we were there in person despite being miles away. We hope the entire family could feel the love being sent from afar by your many family members who were also participating from home. Hugs to all of you! Aunt Olga and Cousin/Goddaughter Gayle*

“ I remember 50 years ago when my mom (Aunt Anita older sister Evelyn) and I visited her in St Thomas, Virgin Islands. She took time from her work and took us to the carnival there. I always remember her for that. She was always so peaceful and quiet and had a beautiful smile.

May you be at rest in the loving arms of the Lord.

Blessings to Teresa and family.
