“ I met Ms. Banks when Tameika and I became friends in high school. I took a photograph of her and Tameika at one of our football games when Tameika was in the marching band. They were embraced smiling from ear to ear and that is how I will always remember Ms. Banks. In high school and college, I would come by the condo to pick up Tameika and pop in and chat with Ms. Banks. I always admired the playful exchange I was able to witness between them. They shared jokes and Tameika was very much a trickster who was a master at simultaneously making her mom laugh and annoying her. Within that laughter was a deep love between a mother and daughter that I am beyond grateful to have witnessed. Ms. Banks was the blueprint for Tameika giving her a real life example of what it means be an extraordinary woman. Over the years Ms. Banks would share wisdom with my mom about family, many which included Tameika’s grandmother Ms. Fannie Mae. Those stories were layered with life lessons that still ring true. Thank you Ms. Banks for birthing my best friend. Your legacy will continue to shine through Tameika and her tribe of friends will cover her along the way. I pray that you rest well and that the ancestors welcome you with open arms on the other side.

With Love and Gratitude,
Dione

“ My condolences to Tameika and Anne's family. I met Anne in 2005 as a new employee in the Decatur SSA office. She was a no nonsense Claims Specialist who would point me in the right direction and not let me fall off the policy cliff. I admired her technical technique and in-depth knowledge. I could always depend on her assistance with a problem. I will miss my friend deeply. Not only my work pal but after work buddy sharing a meal at Long Horn, Olive Garden or Pappadeaux. And Tameika, she loved you. Her face would light up the room when she spoke of you. And we'd share a hearty laugh. Rest my friend and we'll see you at the Pearly gates in the sweet by and by. ARN

“ *In Loving Memory of our Aunt Ann*

Just wanted to take a moment to honor and remember our Aunt Ann whose dignity, wisdom, and independence shaped the lives of everyone fortunate enough to know her. She carried herself with grace, elegance and strength, embodying the very best of a life well-lived. Her passion for her sorority Alpha Kappa Alpha Inc. was a reflection of her love for community, sisterhood, and purpose. Her devotion to her only daughter Tameika, was boundless and evident.

We all had hoped for more time—to share another road trip, to put her new car on the road for one last trip to the casino, to share in her laughter and sense of humor a little longer. But life had a different path, and now she embarks on a new journey, one where her spirit is free, her aches and pains are lifted, and her love eternal. She has earned her wings, a testament to the wisdom and strength she carried throughout her life. Though our hearts are heavy, we find comfort in the many memories she leaves behind, the lessons she imparted, and the love she felt for Tameika will never fade.

Rest well, dear aunt. Your legacy will live on in Tameika and each of us.
