*My love and condolences to the Bailey, Hutchins, and Salem family.*

*I loved Mother Annie B. dearly and continue to be inspired by her love for Jesus and His children.*

*The Apostle Paul speaks of this Christian journey as a race. Surely Mother made innumerable laps around the glory track.*

*She has run the race; she kept the faith; she finished her course and now she has received her crown.*

*Thank you for loving; thank you for caring; thank you for praying, Mother Annie B.*

“ *We would like to extend our condolences to the family. In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away.*

“What an honor it was for me to have known and shared moments with this awesome women of God. She was indeed a gift sent from heaven. Ms. Annie B. as I affectionately called her was just wonderful to be around. I met this precious saint over thirty years ago, and immediately formed a spiritual bond with her. She loved singing and giving God praise wherever she was . As she would sing, “In the street, in your home on the highway or all alone, you ought to take the Lord with you everywhere you go.” To the Greg and the Bailey family, thank you for sharing this special gift with so many people. She now joins that “Great Cloud of Witnesses”, who’ve gone on before. Rest In Peace beloved Saint. Blessings and Peace to her family, Salem Baptist Church, and all who loved her so dearly.

“Thank GOD for this truly amazing woman! Annie B was not Mother Annie B, or Miss Annie B, or ma’am to me – she was just Annie B. She was “generation less” in that you could talk to her as if she was your age, regardless of how old you were. But the great thing about it was that the conversation was in reverence and respect for this marvelous woman. She had a level of quick wit and humor, we always had a laugh, and would always ask me how my “boy and my girl” were. An intelligent woman far wiser than her years. I think I expected her to be here forever, and I would always see her doing the holy dance in the mother’s corner. GOD bless this family for caring for her and taking care of her – or rather, her taking care of them...

“ Returning to Salem after the pandemic is over won't be the same without Ms. Annie B. It was always a pleasure to see and greet her. Always warm and friendly exuding God's love that she carried in her heart, soul, and being. I will miss the kiss on the cheek and the greeting. She is now where her journey was always headed, resting in the arms of the heavenly father.

God bless the entire family ... I know that you all will miss her, but, will have comfort in knowing the end of her journey.

“ Sister Annie B will always have a special place in our hearts. The cherished memories that we have of Sister Annie B will always bring a smile to our faces. When my husband, Rev. Dewitt Sherrer, was the Pastor of Salem Missionary Baptist Church, I fondly remember her teaching Sunday School and singing in the choir until her soul got happy! She was a committed church member and remained committed until God called her home.

Recently, she attended our Founder's Day Service and blessed everyone with a spirit filled song with a strong voice at the age of 102! In true Sister Annie B fashion, she sung the harvest over! The Bailey family taking time to attend Founder's Day and bringing Sister Annie B meant a lot to me.

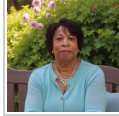

Our thoughts and prayers go out to the Bailey Family as they celebrate the beautiful life of such a steadfast christian soldier. She has earned her wings!

2nd Timothy 4:7 speaks to Sister Annie B's Legacy, "I have fought a good fight, I have finished my course, I have kept the faith:"

Peace and love,

*I loved this Lady dearly. She was always such a comfort and inspiration to me.*

*When I thought about how she could keep running for Jesus and how long she cut her own grass, I knew if I just continued to put one foot in front of the other, God would see me through.*

*Rest well, Mother. Bask in the Savior's presence. You have earned your reward*

“*God Bless me to move to Ga. from Fl. Connecting with Annie B. and her family. God allowed me to be one of Annie B. caregivers & companion. For two years, Annie B & I had some enjoyable moments. We talk, laugh, cheering for the Braves, rode out before Covid -19 hit. Fussed whenever #45 came on TV. We even had our shouting moments, when talking about the goodness of the Lord. Did I mention we had our disagreeable moment, yes. But we always made up. I will forever cherish my time with Annie B. She told of her childhood, school, & church. History of the local communities events. And she also showed me how to age with Integrity, & Love. Praise God for my time with Annie B. God Bless 💜 The Bailey Family ❤️*

“*I always told Aunt Annie B that she looked so much like her cousin, my Grandmama Mamie Minter (Mama Minter). She would always smile. I will miss that smile. 😞 RIP/RIHEAVEN/RIPOWER 😇*
