“ This March 7 2016 is your Anniversary of life...I miss you everyday though you live in my heart, spirit and soul. You are with me and keeps me safe just when I was a little girl. You left many foot prints in the sand here on earth as well as my heart. I love you Moma Your only daughter

“ I would like to express my sincere condolences to the friends and the family of Mrs. Annie Carr. The loss of a love one brings us the anguish of grief. We can find comfort and hope in God's word, the bible. The promise of a resurrection at Acts 24:15, John 11:25 and death will be no more at Revelation 21:3, 4. In your time of sorrow you can draw closer to God in prayer. ~James 4:8.

“ I offer heartfelt condolences and Scriptural encouragement to you all. May "the God of all comfort" continue to strengthen you as you look ahead to the fulfillment of his promises of a future when "death will be no more" and "all those in the memorial tombs will hear Jesus' voice and come out." (Revelation 21:3-5 and John 5:28,29). Jesus said: "I am the resurrection and the life. Everyone exercising faith in me, even though he dies, will come to life." (John 11:25). God is faithful and always keeps his promises! Consider Joshua 23:14 and Isaiah 26:19.

“ My condolences to the family and friends of Annie Carr during this difficult time. May you be comforted by your loving memories, family, and close friends. Know that our Heavenly Father Jehovah (Psalms 83:18) is near to us in our time of need. Gods word the Bible assures us a time when sickness and death will be done away with, (Revelations 21:1-4 Isaiah 33:24) and a time when will reunite with our loved ones again (Acts 24:15 , John 5:28,29) Draw close to God in prayer. Philippians 4:7 tells us that God will grant us the mental peace we need by means of Jesus Christ. May this peace be with you now, and the days ahead. “ *Miss Annie could always make me laugh and feel so full of joy and hope after our conversations. She had jokes! I will never forget her kindness and kinship to my mother. Mommy still speaks of their time together with fondness and laughter. I will be grateful forever. Because of her generosity I have an adopted daughter and friend in Krushetta. My joy is greater and my life is fuller, because I have shared yours. Though I cannot see you but my heart illuminates your spirit. Your love and friendship will abide within me. Our chain is broken just for a little while. Someday we will link again.*

*Love,*

*Auntie Helen both you and mommie could talk for hours. That was a very good thing. It was also good therapy for her and eased her pain....We both enjoyed meeting your mother who is yet as sassy, vibrant and humorous as mine. They had a lot in common and mom asked about her often. We are so grateful the Creator put you in our lives many years ago...you are stuck with us (me now) and there is nothing you can do about it. Sincere thanks for being here for me now and always. I send you love on her behalf. Krushetta*

“ Dear Krushetta,

*Philippians 1:6 AMP And I am convinced and sure of this very thing, that He Who began a good work in you will continue until the day of Jesus Christ [right up to the time of His return], developing [that good work] and perfecting and bringing it to full completion in you.*

*Love your Sister,*

*My sister Sonya and Brother Phil thank you for continued love and support over the years. Your words of encouragement and many prayers most appreciated. Sonya you always checked in on us....asking how mommie was doing and how was I. My other mother, Ms. Alice and mom had many years of "girl talk" and kept each other company by phone. The girl talk was good pain therapy...mom always hung up from your mom laughing about their chats. That always made my heart smile. Your mother has been such a true friend, just as our friendship. She calls and check in on me now...Much love to my extended families Maddox & Upchurch*

*I miss you so much...we are approaching your first anniversary and I hope you are spreading your love light with family and friends; especially daddy whose waited for your return the last 35 years. I can see his smile now and that gleam in his eyes when he looked at you. Over those years you have been snuturing, giving, compassionate, and loving Mother. You were a tremendous role model as both mom & "dad" to us. That was not an easy (with two sons) job well done. I think of you and us so often. The way you could make other's laugh without trying, your independence, determination, persistence and strong will - even till the very end. I hope I can be half the woman you were.*

*I will see you again, my mother and unconditional best friend in the world. I love you with all my heart & Oreo Octavia-Ann send paws and wags too.*

*Happy Anniversary Month Momma with sincere love, your "Sister" Girl*
