Such a beautiful Homegoing service for an absolutely beautiful woman. May she rest well, for she lived a good life and changed the lives of many. When we lost our father, she was there for us with her loving and generous spirit. That will be forever stored in my mind.

“ Sending my deepest condolences to the family of Rev. Annie Thomas. This was truly a sweet and loving lady. Her and my mom Eunice Bussey are Eastern Star Sisters for life and because of that she called me her sweet baby..i use to say no you're the sweet one. I just can't believe she's passed away.. She knew my Mom had been struck by Alzheimer's but would still called me to say hey, the lodge is having this and that and we want Sista Bussey there, I'll take care of her. Tell me she wasn't special, I aske my mom, do you remember Sista Annie Thomas, my mom said of course and when I told her what happen, she just called onto the Lord, that just shows you the impact she made in my mom life because even with Alzheimer's she knew who she was. OMG, My heart is so heavy right now, her gracious smile, hug and phone calls will truly be missed Rev. Annie :-(I'm sending you Hugs n Kisses and may you rest in Heavenly Peace.

“ The Whitby family and Corinthian Lodge #681 send prayers for the family. For his anger is but for a moment, and his favor is for a lifetime. Weeping may tarry for the night, but joy comes with the morning. ... There was however, a night to endure before the morning dawned. It is an honor to have worked with Pastor Sister Annie Thomas throughout various departments of this Masonic Order. When I received commission from Smooth Ashlar Grand Chapter, OES, Sis. Lacita Husband-Perez, Grand Worthy Matron, State of Georgia to serve as District Matron for Atlanta District #1, Pastor Sister Thomas informed me that she will teach me everything that she was trained from Sister Emma Foster and never leave my side. BUT GOD!!!! Anytime that I called Pastor Sister Annie Thomas, she listened and guided me as a Mother.

She will truly be missed, but I Thank God for making her an impact that will be sustain as an imprint on not only my life, but many others.

I go to prepare a place for you. 3 And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also. 4 And where I go you know, and the way you know.”

“In Loving Memories of”

PASTOR ANNIE THOMAS

We thank God for allowing you to cross pass with our family. Your kindness was contagious and your memory will live on forever. Your love and generosity to our family will always be remembered. Some of our households met you over 44 years ago at Mt. Carmel Baptist Church and did not know you would will be an honorary member of the family. Pastor Thomas was called into the ministry and the love overflow to all. While visiting our mom on her sickbed, my family was overwhelmed with her prayers, words of encouragement, love offering, and humility. We had several members of our family to join the House of Faith Ministry where they were fed with the word of God from the BIBLE. Our first encounter with death was our baby sister which had recently joined HOF Ministry. Pastor Thomas was there along with the HOF congregation ministering to us with prayer, words of consolations, love offering, food, food, and more food. Three months later our mother was called home and again Pastor Thomas and the HOF Ministry were there with the repeat, no matter how tired or busy she was she dropped everything to be with our family. Six months later she was back to give us a word of comfort in the passing of our father. Pastor Thomas never left our side, she also gave a birthday shout out to all our family members.

We have lost a jewel and will always be remembered.

“ I met Pastor Thomas when she came over to my mother house and prayed for her. She also gave her communion and a love offering while she was in her sick bed. That's when I started to follow her ministry. Pastor Thomas had that anointing that nobody else had. I seen that for myself. A woman of God. Same anointing like my mother had. My sisters knew Pastor Thomas from Mt Carmel Baptist church. I became a member of House of Faith ministry. Pastor Thomas married my husband and I (Vernon) and she told us that if we're not going to stay together, don't waste her time because she only marry couples who stay together. It's been 17 years for us now. Every time I call her she will be there no matter the time. She had a heart of gold. She helped everybody. On my birthday she spent all day celebrating with me and my family. We went to breakfast, bowling, and shopping. I will miss her so much. It's very hard for me accept that she had to leave. Pastor was my mother in Christ. Pastor was a hard working person. She smiled all the time, even when she wasn't feeling well. Pastor loved HOF. It won't be the same. I can go on and on talking about my Pastor, a woman of God. I will miss her deeply but she's in a better place, rejoicing with her mother, husband, and everybody else. Pastor heart was always filled with love for everyone she knew. She ask so little for herself. She reaped less than she sowed. It's time for her goodness to be proclaimed for all the people to hear. There is no other Pastor more beloved than her.

“Granny it’s so much that I could say. The times when we come over every morning and mezsiah would just be staring looking at you smiling and I would say “granny he wants your attention” and you would come clapping and say “that’s ganny boy, ganny big boy” and he would almost leap out my arm to get to you. The times cailee would get into your things and would say “ I’m about to tell granny” and you would come catch her in the act and get onto her and I would start laughing at her and you. I’m going to miss you so much not just me but me and the kids. I can remember when I was pregnant and you prayed over me and you touched my belly and said “ he will always remember my voice” omg granny You was my protector all of our protector plus more that words can’t explain. I remember that Everytime I would leave your house I would say “see you later granny “ and you would say “ ok chel chel” and tell me to slow down because u knew I had a tendency of driving fast for no reason but I love you we love you granny and like I say see you later granny I will definitely see you later queen

“ *Pastor Thomas was a vessel used by God in the most peculiar situations at times. She loved, she encouraged, she blessed, she reprimanded, she comforted, she supported and she listened. Pastor Thomas was always positive and would push you further than you thought you wanted to go. She supported my union to my husband of 6 years by treating me like a mother would, changing my plans completely. She reprimanded my choice to just do a courthouse wedding and provided me my heart’s desire for a Church house wedding. My union was blessed by this great woman of God cause she listened to what I could not hear. I’ve seen people of all walks of life be blessed by Pastor Thomas. While spreading the word of her passing, people shared their stories of her prophetic gifts and how they were encouraged/comforted by her wisdom. We were blessed to know her. Thank you Lord for allowing your Angel to dwell in our midst. Rest in Heaven my work mother, friend, confidant and sister in Christ. Condolences to all that knew and loved her.
