“ *Cousin Anne,
The shock of you leaving this physical world was hard and unexpected. I’m so grateful that we got to spend that Saturday not too long ago, eating good food, playing cards and listening to you boss everyone around.
I am grateful for your welcoming spirit. I remember how you guided Kimberly around to meet different family members. We greatly appreciated that kindness, your sense of humor, remembering to mail a card on special Occasions, and your thoughtfulness. You will be missed. Love you, Curtis Jr & Kimberly Beasley*

“ *Mama, I can still feel your spirit cheering me on! Although, we are still reeling from our loss, we can rest assured that you have reunited with Pops and is in heaven rejoicing that you no longer have any more rivers to cross or any more mountains to tunnel through. You are loved and will be deeply missed.*

Your faithful daughter,

Satara
