Ruth has been my across the street neighbor and friend for over 25 years and my family will miss her deeply. In addition she was the Pillow of this community and just an outstanding person to be around all the time. She would help anyone and my grandchildren loved her so much. She looked after my house while I worked and always watch out for my kids after they came home from schools. They are now 32 and 39. She was truly a blessing in her immediate cluster, in the community and beyond...to so many. She so much to so many. RIP Ruth. We love you.
