Anthony was full of life and love. He was kind and compassionate. He delighted in the simple joys of life. We hold comfort in John 14: 1-3 "Do not let your hearts be troubled. You believe in God; believe also in me. My father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also maybe where I am. "We hold this true in our hearts and rest assured in knowing we will see him again.
