Sincere condolences to the family (Hug) Praying strength for you in your vulnerable time.

I remember Anthony's onboarding process with us @HR-GLA...he always greeted us in the morning with a warm welcoming smile & in the afternoon, he would exit without fail saying "have a safe evening Ms. Domi see you all tomorrow".

*I can relate to the both of you. I remember, you both helped me with his onboarding. Anthony was this calm person...pain was not detectable. But I remember my many conversations with him when he was already onboard with the team. To see smiles on this guy's face despite the many struggles he was going through, was amazing. My late dad used to tell me, "everything is going to be alright." Similarly, Anthony's phrase was "it's alright [John. It is what it is. We'll deal with it.]" Then he'd smile.*

*Anthony - rest in paradise my friend. And to Anthony's family - may you find comfort during this difficult time.*

*My thoughts and prayers!

“ *I will miss Anthony's voice here at work. I loved the tone and pitch of his voice; it was always soothing. I will also miss his voice of reason. He was always calm, thought about all sides of a situation. He was such a great person to work with. All his family and friends are in my thoughts and prayers.*
