“ Anthony was like a member of our family for more than 20 years. He worked with my husband who was his mentor/brother for more than 20 years. We photographed his wedding and he photographed our wedding. We shared many memories and life events together, their son and our daughter attended college together. Words can't express how much we will miss him. I will miss him calling on the phone asking for Johnny Lee.

He left an empty spot in our hearts. Lisa and Anthony were one of our favorite couples, they were great together.

*Love,
