“ My condolences to Veronica and family.  
RIP Anthony Josey. Memories we had back in the days feels soo much like yesterday. We ran a muck when we was in the radio/ music industry together. I will always remember the fun we had. From then till ur passing we would call each other just to re live the times we had cause most people wouldn't believe the stories about legendary artist , back scenes, confessions, and parties.... we would mention. You will be missed on this side. Make them dance up there, you was always a good music producer and dj .I will still compete with you .REST IN PEACE LOVE U BRO
