“ *Anthony, was an extraordinary person. Anthony was a type of brother that would literally lend you the shirt off his back. He gave kind and sincere advice and he gave just as much in support. Anthony came to my book signing for support and from then on always asked me when was I writing and when was I finished with the next book, that he couldn't wait! Anthony, I finished that book and when I put it out your name will be in it. Love you, miss you, and will always remember you, R.I.P. friend!*
