“ Lord have mercy...MY ANTHONY! It was truly a God- given opportunity to care for him. He taught me so much about love and humility. He loved the Lord and made it known to everyone he knew. His face would light up whenever I walked in the room. Whenever we would ride out he would ask me "can I get my shades"? He was a sharp dresser and Ruby made sure of that! I shared my blessing of being with him with as much of my family as I possibly could throughout my 9 years with him and EVERYONE loved him and considered him a member as well. I miss him terribly already only to find comfort in knowing that he is in Heaven with the Lord and has claimed his Heavenly body, singing and rejoicing with all of the other Angels with his favorite...Andre Crouch. ❤️

“ Thanks Mr. Anthony for giving me the opportunity to work for you. Mr. Anthony enjoyed going to his day program but he knew when he seen my face, we would go Cruising and run all the gas out of the van. Mr. Anthony had two favorite words. Mercy! and Jesus! My heart is overwhelmed but Jesus got you Mr. Anthony ❤️🕊️🙏

“ I remember first meeting Anthony several years ago when he attended the same weekend respite house as my son. He was well dressed and very pleasant with a natural laugh as Ruby teased him. He had a good spirit about him and I have no doubt that he was one of God's angels right here on this earth. He loved the Lord and I trust that his family and all of us can take comfort knowing that he made us better people just by having known him. We continue to hold the family in prayer.
