“ Anthony (papa) love, I had the pleasure of meeting you when your granddaughter (Jessica) made her decision to keep me in her life. The first time I met you, you made me pray over dinner in front of the whole family lol— I'll never forget that. (I know that was a test to see if I was a praying man or not.) From that day forward, I knew you were not only a man of God, but a man that I could admire. I'll cherish the moments we shared while watching sports and eating meme's amazing food . Thank you Mr. Love for accepting me as one of yours. To be absent from the body is to be present with the lord. Until we meet again, love you always!

“ To Yvonne and the entire Love family. I met Anthony in 1956 when my family moved into the Thomasville community of Atlanta. We would play as children do: going through the woods picking plums; playing hide and seek until the street lights came on, playing baseball in the street. After grade school, we attended L. J. Price High school together riding the school bus. After we entered high school, there were dances in the gym and parties to attend. The guys didn't know how to dance, so I taught you, Kelsey, Dean and Duck how to dance in Mr. Heard's basement on the weekend. We remained close friends until the present day. I will miss our phone calls and visits that continued until today. Yvonne, know that he loved you and his children and grandchildren very much , but he was tired and he is now resting in the arms of Jesus. Love you.

“ *Anthony was "Moon's" and his wife (Gwen) best friend. He was always there to give advice when needed, a listening ear and brotherly love. As childhood and high school friends Anthony and "Moon" were inseparable. He will be sadly missed from Earth but his memory will live on in our lives.*

“ My brother-in-law Anthony and I met years ago, when we entered the 8th grade at LJPrice High School. We were even in the same home room there. We had many years of fun- parties, clubs , and other social events with our friends. In our senior year, Anthony was one of a very few friends who had access to a car and could drive us to events and each other’s homes. We went to football and basketball games when he could talk his dad into allowing him to drive the car. In my freshman year of college, I was dating my husband John, when Anthony asked me to introduce him to John’s younger sister, Yvonne Stewart. Anthony asked me to set him up to meet her so many times until I finally gave in and as we all know, the rest is history. We have all enjoyed many years together as a family - many holidays and celebrations together at their home eating Yvonne’s delicious dinners. I say to you my “Bruh”. “ RIP With Much Love”! Brenda

“ *My friend, Anthony Love, was definitely and embodiment of the name he carried... "Love". He loved God. He loved Yvonne and their family. He loved his Church family. He loved people. At the same time, he didn't back down from anyone. He was very direct and straight to the point.*

Anthony was one of a kind; a true friend indeed. He was someone you could talk to and be confident that your words wouldn't end up in the gossip column.

Anthony enjoyed life, and like Mr. Esquire, was dressed to impress while doing it. He appreciated good old school music like that of the Temptations, O'Jays, 4 Tops, Manhattans, Gladys Knight and the Pips, and so many others.

Thanks for some great times together. Gonna miss you brother. Take your rest. I'll see you on the other side.

“ It is with was sadden that I send to My Aunt Yvonne, Alain, Jessica, Miles and the entire Love Family my condolences regarding the passing of My Uncle Anthony Love.

I would like to share a fond memory of Uncle Anthony's presence in the life of my son Jamaal.

Uncle Anthony loved sports and Jamaal did too. He was very instrumental in getting my son Jamaal a spot on this very Competitive Traveling Team at Gresham Park called the A's. He would come out and watch the practices often. We traveled near and far winning many Tournaments for years! Uncle Anthony was always there supporting and cheering the team on!

After entering high school at Martin Luther King Jr. High School Uncle Anthony was there too. He would come out often to team practices and giving his support because this two was a A-1 Team!

He always encouraged Jamaal weather it was in Academic's or Sports to be the very BEST he could be. He graduated at the top 10% of his class at MLK and attended SSU graduating again at the top 10% of his class.

I told Uncle Anthony in life and so did Jamaal that we were Thankful for the seed he sowed in being there, supporting him and cheering him on to be the BEST he could be.

Memoirs are something that no one can take away from you when you've sowed seeds of kindness toward another.

Rest Well Uncle Anthony!

Neicy and Jamaal!

“ I will miss Anthony and his exuberance for life. He was excited for people and their successes. He was a motivator, an organizer, a trend setter, and one of the most competitive persons I know. He showed us how to shoot for the stars, and motivated us to go for the best. He believed in education and made sure his family and others had an opportunity to achieve. But most of all he “loved” his family. Those family reunions were epic.

“ *To Yvonne, Alain and the rest of the family*

We will never forget our friend, Anthony. We have so many special memories. Anthony and Yvonne were the only people we knew when we moved to Georgia over 40 years ago. The relationship of friendship started the very first day and grew into being family. The memories of all the family gatherings, children graduations, weddings, births, special occasions that made us feel like family. We traveled to many places together. It was always full of fun and laughter. He enjoyed golfing and having the most beautiful lawn on the block.

We were fondly referred to as Charlie B. and Dottie Mae. Our hearts are heavy and we will truly miss our friend but we know he was a man of God and he's now in the folds of God's arms. We love you so much. Rest in peace our friend.

Yvonne, Tiny and family, what Love we shared and continue to share with you all forever! I remember Anthony Growing up in Tarrytown,Anthony in Soperton, our paths crossed as cousins while I was attending FVSU and Anthony at South Carolina State, there was this instant transition from knowing Anthony as my cousin to this special connection that only God could have planned! It was special! Off to Michigan in 1970, it was just me at first, then shortly afterwards it was "Alvin and Carolyn", BOOM!! Full Blown Love ❤️. Each time we made the trip from Michigan to Atlanta (nearly 50 years),!our first turn was 20 East to Anthony and Yvonne home, they received us with open arms, sometimes with notice, short notice, No notice. Then it was Alvin (Teen), Carolyn, Kim and Aspen! Nothing changed. Yvonne, we all "So" appreciate the support, concern, attention and LOVE you have given us , and we will continue to share forever! Special Cousin RIP

Alvin, Carolyn, Kim And Aspen

Oh, Anthony with all of your experience, you probably already started plans for the "Love Heavenly Reunion"

“ I was 17 when I met and married my dear husband, Anthony Love. We had 57 wonderful years together. Although, he was critically ill the last (3) years of his life, he never lost the zest for life. He loved his friends and his high school alumni, Price High school. Many times he struggled to breathe because of his pulmonary condition, but he would defy the odds and carry on. When he appeared depressed or a little down, I would play music by his favorite group "The Temptations". I would see him nodding his head to the beat of Motown music. It is so hard to say goodbye. Although I love you with every fiber of my being, GOD loves you best. He gifted you wings on Tues., January 10th. You are now with loved ones who went home before you, including our son "Duck". It brings me great comfort to know that you are now with him. Farewell my love until we meet again. With all my love, Yvonne

To Yvonne and Alain, My sincere condolences! My memories of Anthony go way back to high school. We became a family, raising our kids and being friends. He coached our boys, and left unforgettable memories and accomplishment at Gresham Park. He brought life to every event, and kept everyone connected in some manner over the year. I'm sure he's with "Duck" and "Boom" again. With Love, Cheryl Weems-McQuitta
