“ *Lil Tony (named for his first paternal Uncle Tony and as he is affectionately known by family & friends in Brooklyn, NY) was the first child of my Uncle Noel and Marcia, MaMay's great grand, Hazel & Wilbert's first grand, first nephew of Tony, Perry, Bert, and Sybil. And to me Lil Tony was my very first Morgan cousin and big brother growing up. This pic of him and My Daddy, his Uncle Tony was taken Oct 2016 at his father, Noel's funeral in Georgia. While I took it he was saying to my Mom, Aunt Gwen did you bring me a cake?! And we busted out laughing because that was always a thing growing up - Mommy making him cakes all the time. And you know what, Mommy had baked a cake and traveled with it all the way from Brooklyn, NY with it knowing he would ask! I am so grateful for so many memories. Grateful to God for Lil Tony's life and how it touched ours. I pray for all of us but especially for Ms. Marcia that your memories comfort and strengthen you, bring you joy at the darkest moments and surround you in love. Because Love is not limited by death.*

Rest well, Lil Tony 🙏🙏

Love you forevermore. Thank you for your love and memories through it all, Cuz.

“Wow Cous, it's so hard to know your not on this earthly realm to talk to, to hang out with, to laugh with and even cry with. Your little/big cousins are taking your loss so hard as well. How can anyone not. You were such a family oriented person. That cousin that you could always count on to help in anyway you could. You will forever be in my heart cousin Tony ❤️. I love you always.

John 14:2-6 NKJV

In My Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also.

God bless you cous ❤️🙏🙏🙏

“My Buddy my Friend my cousin. God got you now man but I will miss you like crazy. Your presence in this family man will be an absence that every time I think about our experience together it will bother me that I can't reach out to you to just say what's up what you doing or how are you. Love always man. And until God call me home to see you again you'll be in my heart couz.S.I.P my man Love you
