“ *To the Moss Family..I have known Cynthia for years now and I have met some of her family members Roland for one and I am deeply sorry for your loss. Right now the flesh is weak because physically Anthony is not here, but Spiritually he is still here. GOD already knew that Anthony would be on this earth for 21 years and that he would call him home. My sympathy is with the family and as I love Cynthia, I love you all. Keep praying and GOD will wipe your tears away..You are in my prayers always. Love, Shareka and Family*

“ To the Moss Family When tomorrow starts without me, and I'm not here to see if the sun should rise and find your eyes all filled with tears for me I wish so much you wouldn't cry the way you did today while thinking of the many things we didn't get to say. I know how much you love me, as much as I love you, and each time you think of me, I know you'll miss me too. But when tomorrow starts without me please try to understand, an angel came and called my name and took me by the hand, and said my place in heaven was ready far above, and I'd have to leave behind all those I dearly love. But as I turned to walk away, a tear fell from my eye, for I'd always thought I didn't want to die. I had so much to live for and so much yet to do, it seemed almost impossible that I was leaving you. I thought of all the yesterdays, the good ones and the bad. I thought of all the love we shared and all the fun we had. If I could relive yesterday, I thought, just for a while, I'd say goodbye and kiss you and maybe see you smile. But then I fully realized that this could never be, for emptiness and memories would take the place of me. When I thought of worldly things that I'd miss come tomorrow, I thought of you, and when I did, my heart was filled with sorrow. But when I walked through heaven's gate, I felt so much at home. When God looked down and smiled at me from his Great Golden Throne. He said, This is eternity, and all I've promised you. Today your life on earth is past but here it starts anew. I promise no tomorrows, but today will always last, and since each day's a new day, there's no longing for the past. You have been so faithful, so trusting and true, although there were times you did some things you knew you shouldn't do. But you have been forgiven and now, at last, you're free. So won't you take my hand and share your life with me? So, when tomorrow starts without me, don't think we're far apart. For every time you think of me, I'm right here in your heart. God grace and mercy will comfort and keep you Anita Hazel and Roya Felder
