“ *We would like to extend our condolences to the family. In just a little while all of the pain and sorrow that we feel from the death of our love ones will cease and be replaced with joy, because the former things have passed away. Thinking of you all.*

Our love for our cousin Toni goes beyond to her immediate family. The love of family that Toni showed is the same strong love she had for God. You will be missed but rest in peace knowing we will support your babies.

God has received another soldier for a job well done.

*Your cousin,
Denise Grimes Smith*
