“ This is memory. Tony was my first best friend when I moved to Trenton back in 1969. Tony and I had mini bikes before we got Bass guitars.

“ Tony and I performed music together at The Georgia World Congress Center many times with our mutual friend Ron Adwaters and others. I considered him a true friend and he always put a smile on my face whenever we got together to play. Tony had a truly pure joy of music and his talent was immense. I will miss him tremendously.
