“ Elmo (as we all lovingly called you) you were like a brother to me from day one! I've put off writing this as it still just doesn't seem real! Everyone who ever met you couldn't help but to love you! You were a light, burned out far too soon! I know how your son TJ was your world. You bragged on him and talked of him every chance you got! But, I know you will still guide and protect him from there! I continue to pray for him, and the rest of your family and loved ones! Keep wishing if wake up to a different reality! Sleep easy and be troubled no more! We Love You Man! Always Have and Always Will! 🙏❤️🙏
