“ Dear friend, Antonio Skeete,

I feel your presence with me today, as if the distance between us is not so great. I hope you're at peace and surrounded by light, knowing that you left behind a legacy of love, strength, and kindness. Your family continues to carry your spirit within them, and I see the ways in which your influence still shapes their lives.

To your wife and children, I send all the love and strength I can offer. I pray that they feel your guiding hand, your protection, and your warmth, even from beyond this world. You are always with them, living on in their hearts and memories.

I carry you with me too, my friend, and in moments of reflection, I find peace knowing you are in a place of love and eternal rest. Until we meet again, may your soul be wrapped in the arms of the divine.

With love and remembrance.
