

Antron Jerrod Pippen

December 29, 1987 - April 18, 2021

Rushing to the hospital on an icy evening on Dec 29, 1987 – the world would have never fathomed the announcement of such a gentle giant. But on the coldest evening was born a soul that would warm the hearts of many. Antron Pippen would inspire the lives of all he touched!

Antron confessed his hope and belief in Christ at the early age of eight in Chicago IL. While growing up in the church, his love for God, sports, and music developed with talents in percussion. He graced this life with courage and the ability to conquer any challenge he faced. His persistence and faith grew with a strong conviction and belief in God. He tattooed his favorite passage of scripture (Philippians 4:13) “I can do all things through Christ who strengthens me.” Antron would go on to do unmeasurable feats:

“ Our family extends to you our deepest sympathy on the tragic death of Antron. We will always cherish the memories of friendship we shared as next door neighbors. I will always remember watching Antron practice his basketball skills late into the evening. He wanted to be the best. As mothers we shared the joy of watching our sons grow up to be handsome, kind, and respectful men we raised them to be. I know Antron loved you dearly. May the Eternal Light of God shine upon Antron Always. United in prayer.

“ *Antron is and forever will be a great person, friend and a fine young man. I am very honored to have known him, coached him, mentor him and welcome him as dear friend to my family.*

That bright infectious smile would warm your spirit while his jovial nature will be forever etched in our hearts. His humbleness is a great testament to how he was raised.

I remember vividly, waking up late at night and finding Kyle and Antron in the basement and he would greet me with that funny phrase, "Heeeeeyy Msiter Woootenn" and then would squint his eyes and smile at me with that trademark gap in his teeth. I would ask him, what are you doing here?" but both Kyle and Antron would start laughing like they had a private joke between them. It literally forced me to smile.

Karen, your son was a gift to us all. Not just basketball but for the boy you raised to manhood. As Father GOD shared him with you, thank you for sharing him with us.

You and your family have our love and sympathy.

Sincerely,

Harvey, Cheryl, Jordan and Kyle (The Wootens)
