“ My Dear friend Antron, I really saddens me to know that you are gone but I am thankful for the time we spent on earth together and all of the many lessons we learnt together. No matter what I will never forget your kindness in my times of need and the times you were there for me in my darkest hours. I am truly saddened by the fact that I cannot be at your funeral today but I hope you know that I really wanted to be there. Love always mi bredda
