“ *What can I say? Antwan was the first one to call me Auntie. He always had a smile on his face that I will not forget. The last time we spoke, I told him “So proud of you and remember you are loved.”*

“ You are the reason I hold the title 'Mom'.
Although I was really young when I had you,
you are the reason I wanted to better myself,
so that you would lack nothing, and want for
anything.

My heart hurts and my mind can't stop processing this.

I love you so much.
