“ Saying goodbye to April is very hard for me. I remember when I meet her at the Sunshine House Learning Academy. Her son was attending the school before she began working there. When April starting working at the Sunshine House we both connected with one another. The laughs we shared together was awesome. We use to go shopping together, hang out at her house, go out together and more. April was a good person inside and out. When you saw her she will always be well dressed looking like a beautiful queen. She had the best personality ever. I'm going to miss hearing her saying, "Jacinnna", that's how she use to pronounce my name. My friend, Rest In Heaven beautiful.

“ I remember the first time meeting April at CHOA. She displayed a Million Dollar Smile on her face that made me start singing. I started singing "April Love" by L.T.D., and we had such a great laugh with each other because I can't sing a lick..... but..... I had the words right!!! From that point on she was always addressed by me as my April Love.

She will be greatly missed from CHOA but I know that GOD doesn't make any mistakes. I'm sure she's in heaven shining that Million Dollar Smile down upon us.

Rest in Heaven my "April Love",

I will remember April as a very sweet, giving, naturally sensitive person. Her kind spirit will be greatly missed. To be absent from the body is to be present with the lord. May God give her family comfort in knowing this.
