“ Archie volunteered with us for over 25 years he helped us to support local senior citizens a youth baseball team and women and children trying to escape abuse. He was always available when we called and he worked diligently when he came to help. Archie has not been able to volunteer for a few years however people at StateFarm arena and Mercedes Benz stadium still ask regularly how he is doing and always wish him the best . He had a positive impact on customers and coworkers. Archie was loved and he will be missed. Our sincere condolences to his family and we thank you for sharing him with us.
