*Arlette was our neighbor in Decatur and she was a friend to me and my family. We would go out together, share great conversations, support each other's businesses and always had a smile and a laugh for each other. I will truly miss her and all of the qualities she had that made her so special. I'm still having a hard time wrapping my head around this and yesterday was the first day I was able to talk about her without crying. Continue to rest in peace my friend. Love you.*
