“ For the time that I have been around and shared the laughter will truly be missed. Barbara I know that you will have rough days and feel all alone but remember that God has his plan for Lee and he does not make any mistakes I had to learn that the hard way and I still have good days and bad. I know that was your soul mate and he will never leave your heart. Remember all the good times that you all had together and share them judiciously. Love you very much. Clitel

“ My condolences in the loss of your dear loved one. The pain of grief we feel when our loved ones die can sometimes be unbearable. The comforting words from our heavenly father Jehovah found at Isaiah 25:8; He (God) will swallow up death forever. And the Sovereign Lord Jehovah will wipe the tears from all faces, and Psalm 34:18; Jehovah is close to the brokenhearted; He saves those who are crushed in spirit, will help you to cope with the grief and sadness now and in the days ahead.
