“ Arthur is my son's grandfather, known to Mekhi as Paw Paw, Paw Paw has filled a void in my son's life that can never be replaced. I thank God for blessing us with such a wonderful person. Arthur was more than just a grandfather he was a mentor, a disciplinarian, a friend, a dad, a chef, a coach, support system, back bone and so much more. I couldn't have raised Mekhi to be the brilliant, respectful, loving young man he is today if it weren't for his Paw Paw. This man was a Angel that the Lord knew would make such a dynamic impact in the lives of so many. He loved and supported all of my children and that means the world to me. My promise to Paw Paw is to always make sure Mekhi makes him proud and keep his legacy alive by continuing to do what his grandfather taught him to do throughout his life. My deepest love and prayers are and will forever be with those grieving during this time of losing such an awesome man. We LOVE YOU and will NEVER FORGET YOU PAW, PAW,

Love Mekhi Ward(Mister) as paw paw would call him, and Nata, Erica, Ciera, and Parys
