“ I know I'm a little late but just what you to know that... I glad I was able to go to the same school together and to be called her friend. Even if we didn't also talk and hang out... I still glad to have called her my best friend. Rest in Peace Ashley and May God Bless You and your family. ❤️

“ One of my fondest memories of Ashley was of her second birthday. Ashley, Isaac and Essy had a joint birthday celebration that year. I can vividly remember the beautiful giant smile on her face as she tried to squeeze her water gun and spray the other kids. Her beaming face was everything when we sang them the birthday song and each had a candle on their individual smash cake.

Ashley, You will forever be loved and missed.
