“ Dale was my second dad and loved and respected him very much. He came into my life when I was 11 years old and stepped into a role as a parent to me and my older sister and brother. He was there for our daily routines, illnesses, celebrations, holidays, everything. He showed us what it meant to work hard and provide for your family. In my adulthood he became a friend and confidant. I was able to call him and talk about anything. I often would tell people about him and say “my step daddy can do and fix anything.” Dale was truly an amazing person. I’m definitely missing him being here and the selfishness in me wants him back. Rest easy Dale. Heaven could not wait for you. Love always,
Your baby girl.

“ After all the laughs ,conversations, and disagreements we always brushed it off as if nothing ever happened. When I first meet you at ARS you told me that every apprentice you had left the company due to how tough you were when it came to working. After those first couple of days working together we bonded like the big brother and little brother people and customers called us. The trend you set on giving me the name Breastmilk and Similac will love on forever. If anyone that knows of us knew how silly and foolish we were together. I still haven't accepted the fact that you are truly gone. You left behind and legacy in this HVAC industry and I promise to do my best to pick up the torch and become the best HVAC Service Technician I could possibly be. Until next lifetime rest easy my friend, mentor, and brother.

“ My family and I just wanted to take the opportunity to remember our Friend, Brother and Son. Dale you impacted our lives in such a meaningful and dynamic way. Deborah, Elyse and I loved you without condition. Your propensity to debate and your humanity humbled me. Your sense of humor was rare and real. Word's are not numerous enough or descriptive enough to convey our sense of lost. We would like to offer our sincerest condolences to the family. Dale you are missed and will always and forever occupy your own special place in our hearts.

“ Dear Houseworth Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection.” There will be a resurrection of the righteous and the unrighteous. “ May you have peace as you think about this beautiful hope for the future.
