“ To The Jones family and loved ones of Auburn Jones, my dear friend and classmate, please know that we are mourning with you the loss of Auburn, who was my phone buddy. We find comfort in the knowledge that Auburn kindness, compassion and spirit will live on through those he has left behind.
Try to remember the little things, the shared smiles, the warm hugs, the laughter. The pains might seem unbearable now, but these are the memories that will help you find happiness again. Our thoughts are with you. Love Laretha. & Richard Sherrod

“ What a Surprise to hear Ours Classmate of 1976 has Resided to a new location, a new address, a new home thru Christ Jesus who's strengthened US all, Being miles apart, Auburn absent from this life will truly be missed, Auburn was a Great Classmate, with a big heart, quiet, caring, loving and very intelligent person with concerns for others, I remember Auburn expressions, for ME!! I couldn't tell when he was happy, sad, aggravated or excited, even if he made a high A or a low C , he still had the same expression 😊! And for me, he had a half way Smile, just enough smiles to let you know HEY!! I'm Cool😊! But his soft spoken words was kinds, Auburn was my exhort for Homecoming in 1976, that memory is planted within my heart, The Classmates of 1976 was Bonded Special, and Auburn helped to be that way, to the Beautiful Family of this Wonderful Man, continue to Love, keep his awesome memories within your hearts, my husband and I is Sorry for your lost, We Love You All , Mae Francis Wright Harris

“ *Knowing Auburn and his family since childhood has indeed been a blessing. The connections felt through our parents friendship as well as that of our elder siblings cemented our friendship. Always a young man of stellar character, it has been a privilege to call him friend despite the miles between the class of 1976. We and the entire Williams family send our prayers to the family and loved ones of the Jones family. Our prayers for peace in your hearts and that you continue to trust in our Heavenly Father. Prayerfully, Cynthia Williams Jones & the Williams family.*

“ Auburn was a graduate of Jenkins County High-school, the “Class of 1976.” As classmates we were a very close and personable group. Treating each other with much love and kindness. Although, some classmates may not have stayed connected as many, but in some way, we knew how many were doing even though distance kept us apart due to various locations we resided across the United States and Internationally. We definitely were a very special and loving class. Auburn will be missed, but we know the Lord is faithful in His word. May he rest in our fathers loving presence and in the comfort of His arms! May God’s PEACE be with his Family.
