“ I learned of Audrey’s passing from a fellow member, Amanda, when I saw her and her mom at an arts festival Sunday, 5/11/2025. When I worked at Side by Side as Program Director, Audrey and I often shared lunchtime together. She taught me the proper way to prepare a mango for eating/to tell it was ripe, and would share her coconut water with me. Audrey taught me her favorite songs, many old school r&b ones, and we enjoyed talking about memories that music connotes. She was so generous of spirit, and made the best banana pudding, which she often made for a special occasion at SxS. Heaven has a beautiful soul now. Love you sweet Audrey. SxS has lost a great member of their team. Audrey shined, and will keep on shining with her creator in heaven.

“ Audrey, 37 years of friendship. We had an instant connection and always had a sick sense when something was wrong with the other. You have been a constant in my life even though you were in GA and I in NY. I loved talking with you, sharing our lives with each other, laughing and reminiscing about our JHS days. Holidays and birthdays will never be the same. I am going to miss you telling me how old I am (even though there is only 7 weeks between us). I will love and miss you always. Rest easy my dear friend. Until we meet again. ❤️

“ I met Audrey (I called her Audrina) 31 years ago at Georgia State University. She was 18 and I was 19. Audrey had the sweetest spirit, but had no problem being direct and honest (but with love).

She loved her 90's music and would quiz you on the songs and artists of that time! She was good at remembering those 90's oldies. Audrey was also a true ATL sports fans and she loved her Ms. America pageants and award shows.

We often talked about the latest fashions the celebrities were wearing, the good and the bad. Her laugh was contagious!

She will always be a ray of sunshine to all who knew her! ☀️

We often recited the words to the Golden Girls theme song to one another. One last time:

Thank you for being a friend. Traveled down the road and back again. Your heart is true. You're a pal and a confidant. And if you threw a party, invited everyone you knew. You would see the biggest gift would be from me, and the card attached would say thank you for being a friend

Love you Audrina,
Zonia aka Zon to the ya! ❤️🙏

“ Audrey brought joy, laughter and music with her every day she walked into Side by Side Clubhouse. Her caring spirit shone through in everything she did—always looking out for others, making sure those around her had what they needed, and never hesitating to speak her mind. My heart goes out to all who got to know—her loss will not go unnoticed, and her smile will not go unmissed. Once a member, always a member. We miss you Audrey.

“ Once in a while we might get fortunate to meet someone who "gets us" thus communication is smooth with and without words. I was fortunate enough to share 4 years of gut wrenching laughter, intellectual challenges, and beautiful old school listening with Audrey. SidebySide Brain Injury Clubhouse introduced me to a beautiful and eunique culture of great people and experiences. Once a stranger to me that became a Sister forever. Rest in Harmony Audrey. We definitely miss you, your generosity, and finger licking banana pudding.
