“ I would like to express my sincere condolences to the family. The loss of a love one brings us the anguish of grief. Comfort can be found in God's word, the bible. The promise of a resurrection at John 5:28, 29 and death will be no more at Revelation 21:3, 4. Taking in true knowledge of the true God and his son Jesus, assures us eternal life. (John 17:3)

“ Dear Karl:

There was never a time when I linked up with you and Audrey that I did not feel the warmth and genuiness of our friendship. I can only imagine your devastation and that of the rest of the family at her loss, having suffered the lost of my father, whom you knew, in 1995.

May you and the family be comforted by the great and pleasant times past, and in the knowledge and understanding that she has begun the next phase of her life in the Good Lord's Garden of Eternal Rest.

Fortis Always!
