“ *The loss of my best friend Augustine Alexis has been and still is very challenging.*

*Our friendship started from working together and transcended to a life long friendship. Never thought it would have ended so soon.*

*It is said that friends are chosen family members, so you were chosen to be my brother that I never had.*

*We shared good and bad times, happy and sad, jokes, memories and a tremendous amount of laughter.*

*So my grief right now is about what we shared and not about what we did not get to do.*

*I may not remember days, dates, months or years but will not forget memories of working, talking, arguing, laughing and aging together. They were all felt from the heart.*

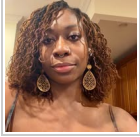

*I will always treasure you in my memory for who you were. I love you my brother.*

*RIP my brother and best friend until we meet again on the other side.*

*Condolences to the entire family. May God comfort you at this time.  
From Chris Noel and Carol.*

“ From day one, you were always there...Always loving and caring.... It is unsettling to wake up and not see you with us like we are used to everyday...but I know you are not suffering or in pain anymore. I have no fear or doubt you are at ease and I am eternally grateful to have known a father as kind and as patient as you. Me and Andrew really miss you...alot..and you were Andrews best friend..you kept secrets, you fulfilled promises...you were my one and only..I love you dad..Andrew loves you...and I will hold a light for you...until we meet again.
