Archie. My best friend, my love 💕 I miss you soooooo!!!! Much it hurts. Today is your birthday 2/5 and it's so sad you are not here for me to kiss and give you a great day. We were married 33 wonderful years, we never had any fights, we may have gotten on each other's nerves from time to time but we always loved each other. You always made me laugh and comforted me when I was sad. I know I must go on without you and I know you would want me to not be sad, but how can I not! God knew our future, but I never dreamed He would take you so soon. Rest my Love, I will see you again.
