“ *Avis and I chatted every day: we shared our lives as well as our opinions of work life. Avis was a trusted friend who kept it real and showed her love for you in those good hugs. Avis...you are missed.*

I know you are happy and healed as you continue your journey basking in the light of the glory of God. All my love.....

“ *Avis and I shared our love of our children and grandchildren. She was always a bright face in the office every morning and someone I could talk to. Being the same age, we often commiserated about our aches and pains! Love you, Avis. You will be missed and always remembered.*
