Tribute Wall

“ Dear: Goff Family,

Please accept my condolences during your time of sadness. God did not intend for people especially babies to die. Many wonder why God "take" children from their parents. The answer is, We all have inherited sin; we are all imperfect. We were born in a world in which everyone- both the good and bad-eventually dies (Ecclesiastes 9:5). But Jehovah God yearns to reunited children with their parents by means of the resurrection and loving has made provisions to do so. John 5:28,29 says: "Those in the memorial tombs (grave) will come out. Revelation 21:4 says: " Death will be no more". Also, read the account of the 12-year-old girl that Jesus resurrected in Mark 5:40-42.

I hope these scriptures has brought a measure of comfort to your family.
