“ From the day I met you when you moved to Little Rock, you were a living angel. I felt like I had a true big sister/friend that I could share anything with. We worked together, laughed together, and shared girly stuff together. You shared the same love you had for your children with me...and for that, I thank you.

*I know you didnt want to leave your children and grandchildren ( who you adored) but your assignment on this side was complete.*

*You finished the race, now take your rest!!*

*I love you and will cherish every moment I was blessed to share with you.*

*I can't say goodbye but I will see ya later 🥺*
