My sincere sympathy and heartfelt condolences to the family of Mrs. Barbara Barnes. The world has suffered a great loss. Mrs. Barnes was a genuinely sweet, loving, and caring person. It was pleasure working with her at Sky Haven Elementary School. Her love for her students was always evident through the many lessons taught and her infectious beautiful smile. In the days ahead, may you find some small comfort in your many happy memories. Dr. Joy L. Mobley

“ You have been on my mind heavily lately. It breaks my heart to have to have found this information via web search. I wish I could have been there to say good bye and to tell you how much I love and appreciate you as well as the impact that you made on my life. I will never forget how nurturing you were. I followed you from Gresham Park to Sky Haven Elementary as a child because you meant that much to me. You made a great impact on my life as I'm sure you did so many others. I remember our lunches together.. how you always had 4-5 jalapeño peppers for lunch with a salad that made the entire room smell so delicious. I never understood how you could eat those whole and be completely fine :) You loved them so much that you named your beautiful fur baby after them... I remember calling your home and hearing your voicemail.. Press 1 for Barber a .. Press 2 for cliff... Press 3 for Pepper :) ... You had the most beautiful eyes. Daddy's girl eyes you called them. I remember smiling while daydreaming of one day finding the rare beautiful love that you always expressed that you found in Mr. Cliff. I will love you forever. - Georgette

“ I will always remember my friend Bar ba ra as she so distinctly called herself. She was my co-worker at Snapfinger Elementary, and she loved her children. From Thanksgiving and Christmas dinners to making sure they had proper attire for graduation the children were always Bar ba ra's top priority. Cliff she loved you dearly and would school us all the time of this special love. Rest in Peace dear friend, we will meet again.

I remember Barbara Barnes from our time at Sky Haven ES. She taught her kids giving them everything they needed to succeed. I enjoyed our dieting together with the bacon and boiled eggs. Barbara was one of the sweetest ladies that I worked with. I was just thinking about her a couple of months ago. She is someone who is unforgettable. Rest In God, Barbara. Love Paulette Calhoun
