“ *Bill, William, Chaunte, Candice, Christina And Family, Our Friendship & the love of GOD started way before the WFCC. My mind went on rewind how it was Barb I had to call to take me to ER when she had Christina, & I had Aaron, due to an emergency! I can say Rev.Keith Hunter is getting his heavenly choir members together one by one. The lose of our spouses is hard, and yes people say they're in a better place, BUT only knowing GOD helps ease this earthly pain & the void that has been left. Just want you all to know I'm praying for the strength that HE will see you through.*

“ In God's due time, your tears will decrease but your memories of Barbara's participating in wonderful festive family activities will bring a smile to your face, if only for a moment. Wayne Smith and I expressed our deepest sympathy to Bill and his family Monday evening. Wayne called Bill to express words of comfort. They shared moments of joy when they remembered the close friendships Bill, Barbara, Wayne and I had as members of Keith Hunter and the Witness for Christ Choir in Louisville, Kentucky. We 🙏 pray that God will provide the physical and emotional strength to Bill and his family to find comfort in the " word of God". (WFCC members have been friends for life) I am asking when possible to keep in touch with members of the WFFC.
