“ It has been a wonderful experience getting to know my second cousin, affectionately known as “Nita” by my family. Nita brought humor and honesty to every encounter I had with her. She will be greatly missed but she has joined the great cloud of witnesses, including my mom, her first cousin Sister that she loved dearly and Ken, ushering us on into that place of rest with our Heavenly Father. We love you Nita and you will be deeply missed, your Cousin Beryl and and the rest of the Owens and Middlebrooks Family ❤️

“ I worked with Nita for twenty years; she was a family oriented lady,
who loved God and her family. I will always remember her smiling
face and the great conversations we had about our families. After I
retired, we talked over the phone and exchanged Christmas cards
every year. I will remember her the rest of my life, and look forward
to meeting her again in Heaven. Sincerely and with love and
prayers for her family, Shirley McMillin-Shope
