“ *What happened to Elder Barbara? When I saw her last, she was the picture of health. I'm having a hard time understanding how it is she is not on this earth any longer. I can't stop crying. I don't understand how she could be gone way before her time. She was always so loving, kind, caring and supportive of me and my children and everyone she encountered. She had such a servant's spirit and was so humble. She took my 15 year old daughter under her wing as a junior gatekeeper. Elder Barbara recruited her and kept her close. My daughter always looked for Elder Barbara when she had junior gatekeeper duties and would sit with her. She is devastated. We will definitely be at the viewing today and will keep Deacon Ron in our thoughts and prayers forever.*

“ Barb was one of my very dearest friends for almost 50 years. We begin our friendship in Kansas City working at AT&T. When we needed prayer we had our code ( PPFM, please pray for me). We would pray into that prayer request was answered. She was a very faithful servant of the Lord. There was not a time that I would talk to her and we would share the goodness of God’s grace and his mercy and how good HE really is. I miss her so very very much. *Mother,*

*No farewell words were spoken  
No time to say goodbye  
You were gone before we knew it, and only God knows why.  
Our heart still ache in sadness, and our secret tears still flow.  
What it meant to lose you  
No one will ever know.....*
