“ Dear Morris Family: Please accept my sincere condolences for the loss of your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again right here on earth by means of the resurrection. “There will be a resurrection of the righteous and the unrighteous “ May you have peace and comfort as you think about this beautiful hope for the future.

“ My name is Lois McKellar and I taught with Barbara in the Math. Departments at Fulton and South Atlanta High Schools for 27 years. Not only was she a colleague, she was my friend. We didn't talk as often after her retirement and after her health begin to fail, but when we did it would be long and drawn out. She was always a quiet spirit but could easily make one laugh in her own way. She loved the students that she taught with a passion and they LOVED her just as much. They often joked behind her back about the many homework problems that she gave. They joked, but they worked every problem. She loved basketball and many times we would go to local games as well as to the State Tournaments wherever they were held. My memories of Barbara are many. I will miss her and I KNOW that Bonnie and the rest of the Family will, too. Quietly for the last time, she bowed her head. Years will come and years will go, But never a better person will we know.
