"I've Made My Bed" I've made my bed I've stuffed it just right, my mattress is filled with things to Jehovah's delight. I've done all the good work that He commanded me to do, like preaching the good news and reading His word too. I've spread the truth to all I met along the way, while I kept close to my God I prayed and thanked Him each day. Now I've put on my sheet of faith and confidence all snug and tight, knowing that my work was not in vain because Christ Jesus did the same. Next I spread my blanket of comfort that Christ so lovingly gave. When He said come, take my yoke, it is light and my friends to have to beg. So, I threw all my burdens on Him and He surely refreshed my weary head. Now my pillow of peace I placed last at the top, for I know when I lay my head down to sleep I won't toss and turn or have bad dreams for through my God, I can finally Rest In Peace.
