“ Jean and I were childhood friends. Our parents worked together for many years. We learned and explored our parents talents and trade together in the Jewish community. We shared Marriages and the birth of my children. "Please accept my condolences and know that I share in your loss." "God made hearts for sharing sorrows as well as joys" My heart is with you all. “ I was lucky to talk to Barbara almost daily from 2000 to 2005 as she was the cook at AEPi at Georgia Tech (and she was there before and after me!). Certainly a brave woman to deal with 60+ fraternity boys every day! Best wishes to the family for peace and comfort in her memory, she had an impact on a lot of students during her time there.
