“ My Godmother was a very serious but funny lady. I will never forget her smile and sense of humor. I affectionately call her Barbara Jean or Jeany the way my mom use to address her. Then my favorite was baby girl. She was my confidant and my ear of reasoning. For 56 years of my life I could always count on her to be there in whatever capacity I needed her. To God be the glory that she is no longer suffering. I will miss you baby girl, but never forget you. You were everything a Godmother should be. 🙏❤️😘🤔
