“ I would like to express my deepest sympathy in the loss of your beloved family member. When a loved one dies, it causes so much pain and sorrow. Because our loving God Jehovah created humans to live and not to die, “He has even put eternity in their heart” ( Ecclesiastes 3:11a ), he understands the deep emotional pain death causes. But we are not left alone to cope with our grief and sadness. Jehovah God gives us comfort from his word the Bible. Scriptures that can comfort us are found at Psalm 34:18 which says: “Jehovah is close to the brokenhearted; He saves those who are crushed in spirit”. He has also promise at Revelation 21:3,4 that sickness and death will be removed and our loved ones will have the prospect of living on a paradise earth in perfect health by means of the resurrection (John 5:28,29). We can put our trust in these promises because “God cannot lie”( Titus 1:2).

“ My sincere condolences for the loss of your dear love one. But please know that the Bible offers hope for our love ones who has fallen asleep in death. Jehovah hates death and he views it as an enemy. (2 Corinthians 15:26) He has a longing to conquer that enemy by means of the resurrection. He yearns to bring back those who are in his memory and to see them live again on the paradise earth. Knowing this can bring us comfort when loved ones dies
