“ I've been looking for my Dear friend Baron for some time now. Today I Googled him, one technique I haven't tried. and his obituary comes up! (((WHAT!))) I AM DEVASTED! I can't wrap my thoughts around the fact that I will never see his smile or hear his infectious laugh. oNE Message I would like to leave with him as I always did before I left, "Baron, I'll Love you Endlessly."
