“ Dr Barry, as we here at Walton Legacy in Atlanta called you, I didn't know you very long while you were still on your journey. I guess it was about 2 years, but that was 2 years we both enjoyed each other. I'm thank God yup have found peace and rest. You almost made it to becoming a member of church (Zion Hill Baptist Church), and a member of my choir. Even better though, now you can join God's heavenly choir. I'm happy for you, Dr Barry. See you later.

“*Condolences to Barry Camp's family and many friends. I knew Barry for over 30 years when he lived in Chicago, moved to Atlanta and back to Chicago. We had many wonderful times over those years! I will always remember the fun, joy and laughter we had during his many visits to Evanston and the times I visited him when he lived in Chicago. He was a very respected Educator and was always willing to assist many of the young kids in my family with Math homework. RIP in Heaven, Barry. My family and I have very fond memories of you and will keep them in our hearts forever.*

“*God Bless the Family and Friends of Barry Camp. He was my friend and we talked all the time. I miss him dearly already. He was a character and I enjoyed the laughter and intellectual conversation. While he lived in Chicago, we shopped, ate dinner, enjoyed parties and did many things together. Who will I talk to about the election now? God takes his children when he's ready. Rest In Heaven Barry. I will not forget you!*

“ *Barry and I graduated from H.M. Turner High School together in 1961. He sailed forth and completed not only his undergraduate degree, but his PHD as well! I last saw him at Turner's Scholarship Prayer Breakfast. We had a nice chat. He was still the warm friendly person I remember. My sincerest condolences to the family and his circle of friends.*

“ *Condolences to the Family of Barry Camp, Barry and I were in the same graduation class at H M Turner High School 1961, we were friends, and we often ate lunch together, it's unfortunate that we lost contact with each other after graduation, but I've often thought of him, and wondered how he was doing, to the family you are in my thoughts and prayers.*
