“ Dear Johnson Family: Please accept my sincere condolences for your loved one. May the love and support of family and friends comfort you greatly during this difficult time. The Bible also gives us comfort and hope to see our loved ones again by means of the resurrection. May you have peace as you think about this beautiful hope for the future.

“ I am so sorry for the passing of Bea, we worked together and even attended the same church when we lived in Winston-Salem. Bea and I even travelled to San Francisco Ca. I spoke with her on the phone when she was in Baltimore. We had some good times in Winston-Salem and I was sorry to see her leave, our little group was split. I went to Oklahoma City and our other friend when back to Baltimore while one chose Richmond Va. I will remember the fun times we share. RIP my friend.

“ *Bea was my son's godmother. We worked together in Baltimore and NC. I visited her when she was last in Bmore. I'm glad I got to see her. It was the first time in many years, but we kept in touch by phone. Rip* ❤️
